

TOKAI RIKA to constructs a new plant for subsidiary in Indonesia

Aichi, Japan – June 11, 2012 – TOKAI RIKA CO., LTD. (Yuzo Ushiyama, President) has decided to construct a new plant for “PT.TOKAI RIKA INDONESIA.”(hereinafter referred to as TRI), TOKAI RIKA’s subsidiary in Indonesia. The new plant will be constructed and production facility will be relocated in same industrial town where its plant is located at present.

The construction of the new plant will start in July 2012 and complete by April 2013. The investment in the construction of the new plant is planned about 317 billion Rupiahs (about 2.7 billion Yen) and TRI will employ about 400 people by 2015.

The purpose of constructing new plant is to support the needs of TRI’s customers actively and quickly in the country, where further expansion of the car market is expected. TOKAI RIKA is aiming to establish the local production system and reinforce the business base in Indonesia.
