

Environmental Activities Report

Environmental Slogan

We are reducing the environmental burden of our corporate activities while achieving harmony between people and their vehicles.

Environmental Policy

1 We boost environmental efforts based on our management philosophy and code of business conduct.

Main initiative items

Global warming prevention, resource saving, recycling, waste reduction, chemicals control, active use and development of new eco-friendly technology, promotion of LCA, biodiversity conservation, etc.

2 We comply with laws, act responsively toward customers and local communities, and set voluntary targets to prevent pollution.

3 We continue to increase environmental efforts by forming an environment committee.

The 6th Environmental Action Plan 2016 to 2020

In order to contribute to establishing a sustainable society through business activities such as development, production and logistics, we promote environmental initiatives supported by three pillars: "establishing a low-carbon society," "establishing a society in harmony with nature" and "establishing a recycling-based society."
