Tokai Rika Report 2018

Editorial policy

For this report, starting from FY 2017, we have changed the name to "Tokai Rika Report," added business activities, financial information, etc. to the previous "Environmental & Social Report," and compiled everything into one volume, in order to report on activities in a broader range of areas and thereby achieve better communication with all Tokai Rika Group stakeholders.

In addition, we asked Associate Professor Miwa Takahara of Aichi Shukutoku University to give a "third-party opinion" in order to improve the objectivity and reliability of the report, and present the results on page 53.

Applicable scope

This document reports the activities by Tokai Rika Co., Ltd. and the Tokai Rika Group.

Target term

From April 1, 2017 to March 31, 2018

* Some activities and plans for April 2018 and onward are also introduced, in order to give a deeper understanding of our activities. The job titles and positions stated are those that were held at the time of the activities.

Reference guidelines

- Ministry of the Environment "Environmental Reporting Guidelines (Fiscal Year 2012 Version)"
- GRI "Sustainability Reporting Standard 2016"

The data published in this report has been revised to the latest data (as of the end of FY 2017). (It may vary from the data published in previous reports.)

[Note regarding future prospects]

This report contains plans and strategies regarding the company's future and forecasts, and prospects regarding business performance. These descriptions are expectations based on assumptions and beliefs that are founded on judgments made from the information available to us at the present time. Please understand that they may vary from the actual results as a result of changing circumstances, and actual business performance may differ from the company's expectations.
