## Activities Report

### Environmental Slogan

We are reducing the environmental burden of our corporate activities while achieving harmony between people and their vehicles.

### Environmental Policy

- 1 We promote environmental efforts based on our management philosophy and code of business conduct.

#### Main initiative items

Global warming prevention, resource saving, recycling, waste reduction, chemicals control, active use and development of new eco-friendly technology, promotion of LCA, biodiversity conservation, etc.

- 2 We comply with laws, act responsively toward customers and local communities, and set voluntary targets to prevent pollution.

- 3 We continue to increase environmental efforts by forming an environment committee.

## The 6th Environmental Action Plan

2016 to 2020

In order to contribute to establishing a sustainable society through business activities such as development, production, and logistics, we promote environmental initiatives supported by three pillars: “establishing a low-carbon society,” “establishing a society in harmony with nature” and “establishing a recycling-based society.”
